

CATALOGUES AND BIBLIOGRAPHY

CATALOGUES OF THE UNIVERSITY LIBRARY IN WROCŁAW

They contain information about collections in the University Library and specialized libraries (i.e. faculty and institute libraries, etc.). The library catalogues are available in electronic, digitized and traditional form.

LIBRARY OF THE UNIVERSITY OF WROCŁAW – COMPUTER CATALOGUE

- Registers the collections of the University Library and specialist libraries. It contains bibliographical descriptions of books, newspapers and journals/magazines, and electronic documents.
- The digital publication includes all new works since 1990 for the University Library and since 1980 for specialist libraries. In the case of the Library of the Faculty of Law, Administration and Economics, the vast majority of the publications is already in the computer catalogue – currently, German publications from before 1945 are being digitized.

BIBLIOGRAPHY

- Bibliography is most often understood as “an ordered list [...] of documents, selected according to certain criteria, fulfilling certain informational tasks”. (*Encyklopedia współczesnego bibliotekarstwa*, Wrocław 1976, s. 22).
- There are various types of bibliography:
- General legal bibliography
- Bibliography of civil law and civil procedure
- Bibliography of criminal law and criminal proceedings
- Historical-legal bibliographies
- Penitentiary bibliographies
- Bibliographies of penal sciences
- Bibliographies of administrative law
- Other bibliographies

“BIBLIOGRAPHICAL GUIDE” (“PRZEWODNIK BIBLIOGRAFICZNY”)

- The basic unit of the Polish current national bibliography, recording the publications on the basis of the obligatory copy received by the National Library. It contains descriptions of documents published in a given year and up to two years back. Documents issued earlier, which were sent to the National Library late or not registered on an ongoing basis, are described in supplementary issues (marked with the letter “A”; they appear irregularly). “The Bibliographical Guide” is published weekly (52 issues per year).
- Until the end of 2009 issues were published in print.
- Since 2009 issues have been published in PDF: <https://www.bn.org.pl/katalogi>.
- All descriptions posted in the current national bibliography are available in the National Library catalogue.

“THE BIBLIOGRAPHIC GUIDE”

Selection of the publications

“The Bibliographic Guide” records publications whose publisher or co-publisher has a registered office in Poland, and publications that were published outside Poland if their publisher or co-publisher is a national institution or their foreign agency. The language criterion and the evaluation criteria are not applied.

“The Bibliographical Guide” records:

- Books
- Individual volumes (issues) of journals, if they contain individual authors' works or materials from conferences, symposia or conventions, if they have individual titles
- Braille publications

“BIBLIOGRAPHY OF THE PERIODICAL CONTENT” (“BIBLIOGRAFIA ZAWARTOŚCI CZASOPISM”)

An unit of the current national bibliography. It registers articles published in selected Polish journals, regardless of the language of publication, coming as obligatory copy received by the National Library.

“Bibliography of the Periodical Content” has been developed by National Library since 1947. It has been available during its foundation in different forms:

- duplicate printing (1947–1948),
- card file (1949–1950),
- monthly printed issues (1951–2004),
- PDF files (since 2010) – online access: <http://bn.org.pl/katalogi-i-bibliografie/bibliografia-narodowa/bibliografia-zawartosci-czasopism/numery-do-pobrania>.

“BIBLIOGRAPHIC OVERVIEW OF ECONOMIC JOURNALISM” (“PRZEGLĄD BIBLIOGRAFICZNY CZASOPISMIENNICTWA EKONOMICZNEGO”)

Quarterly journal edited by the library staff of the SGH Warsaw School of Economics. It contains bibliographic descriptions of articles from about 150 Polish and foreign journals on economics.

It has been published since 2002 as a continuation of a bimonthly journal published under a slightly different name: “Przegląd Bibliograficzny **Piśmiennictwa** Ekonomicznego” (“Bibliographic Overview of Economic **Writing**”) (ISSN 0032-8138), which also contained bibliographic descriptions of new books in the field of social and economic sciences. Its publisher was first Wydawnictwo Gospodarka Planowa, and since 1949 Polgos.

The magazine was created in 1947 and has changed its title several times over the years:

„Przegląd Bibliograficzny Czasopism Gospodarczych i Społeczno-Gospodarczych Wychodzących na Terenie Rzeczypospolitej Polskiej” („Bibliographic Overview of Economic and Socio-Economic Journalism Published on Territories of the Republic of Poland”) (1947–1949)

“Bibliograficzny Przegląd Wydawnictw Gospodarczych (“Bibliographic Overview of Economic Publishers”) (1949–1953),

“Bibliograficzny Przegląd Piśmiennictwa Ekonomicznego” (“Bibliographic Overview of Economic Writing”) (1954–2002)
